Proceedings:

Meeting called to order: 11:33 pm – Ken Masten

Quorum present? Yes

Agenda Additions/Changes: Introductions preceded business.

New Business:

Discussion of Klamath County Cooperative Weed Management Area (KC CWMA) group and Lava Beds-Butte Valley Resource Conservation District (LBBVRCD). Misty reported that she and Sunday had attended the recent KC CWMA group meeting; Will Natividad had signed the KC CWMA MOU after his resignation in his full-time capacity but during his part-time, interim role; Hanna Chittenden provided a Professional Services Agreement on KSWCD letterhead, digitally signed by Will and Hanna, for her to provide contracted services pertaining to KC CWMA coordination dating back from 8/1/24 through 8/1/26. Questions arose because it was not evident whether all entities were aware of the nature of these agreements. Misty feels there is positive value in formalizing the KC CWMA MOU. Consideration was given to moving into Executive Session but discussion continued without doing so. Some KSWCD Board members had to leave for conflicting prior commitments.

Public Comment:

Will Natividad, Hanna Chittenden, and Scott Seus presented on behalf of LBBVRCD to request compensation for services performed by Hanna Chittenden indicated above.

Meeting was adjourned at 1:28 pm.
